Dispense: Quantity up to 30-day supply

Titration refills: _____

Maintenance dose: Contact healthcare provider for prescription

- OR -

☐ **Alternate dosing instructions:**

3. Nurse Support†

☐ Please check this box if you would like your patient to **receive Janssen-sponsored nurse-supported† patient education on administration, dosing, and titration of UPTRAVI®** and/or their disease. Janssen-sponsored nurse support† is available to patients during their dose adjustment (titration) phase.

†Janssen-sponsored nurse support is limited to education for patients about their Janssen therapy, its administration, and/or their disease. It is intended to supplement a patient's understanding of their therapy, and is not intended to provide medical advice, replace a treatment plan from the patient's doctor or nurse, directly provide case management services, or serve as a reason to prescribe. Program rules and limitations will apply.

*6. Physician Signature

I have made the determination, based on my independent clinical judgment, that the medication ordered is medically necessary for the patient for the intended use. I am personally supervising the care of this patient. I authorize Actelion Pharmaceuticals US, Inc., a Janssen Pharmaceutical Company, its affiliates, agents, and contractors to act on my behalf for the limited purposes of transmitting this prescription to the appropriate pharmacy designated by the patient utilizing their benefit plan. I certify that the requested additional titration support is necessary beyond the support my office has already provided. I also certify that the patient has authorized me to share their information on this form. **PHYSICIAN SIGNATURE REQUIRED TO VALIDATE PRESCRIPTIONS. Physician attests this is his/her legal signature (NO STAMPS). Prescriptions must be faxed.**

Physician signature: _____ Physician signature: _____ Date: _____

Dispense as Written Substitution Allowed

Please see full Prescribing Information and Patient Product Information for UPTRAVI®. Provide the Patient Product Information to your patients and encourage discussion.
